

# THE SOLENT CLUSTER CHARTER

**The Solent Cluster partnership represents a once-in-a-generation opportunity for communities, the region, and the UK.**

It has the opportunity to effect real change in energy production and consumption. We will play a fundamental role in the world's fight against climate change, enabling the UK to reach Net Zero emissions by 2050.

In becoming a leading centre for low carbon investment, we can grow the regional economy, protect skilled jobs, and create new employment opportunities in the technologies and industries of tomorrow, while significantly reducing carbon emissions.

## OUR VISION

Our vision is for the Solent to become a leading centre for low carbon investment that will grow the regional economy, protect skilled jobs, and create new employment opportunities in the cleaner energy technologies and industries of tomorrow.

**We want the Solent and wider region to become a leading area for low carbon investment, now and for the future**

**We will aim to bring new jobs and investment for the benefit of our communities**

**We will help secure existing jobs and livelihoods**

**We want to help the UK remain competitive and deliver on national energy priorities**

**We aim to make a major contribution in the UK's move to Net Zero**

**We will provide a platform to showcase the Solent's low carbon innovation and collaboration**
